

## Key feature

**Kisten knows how to style items** using pattern and proportion. This gives her home order and ensures it doesn't look cluttered and chaotic. Working within the harmony of a room and keeping themes consistent is apparent in Kirsten's Asian themed bedroom, which uses a bamboo print and Japanese style table to make a strong design statement.

*Chose a few well-designed vintage pieces to mix with modern furniture*

**COPY AN ASIAN INSPIRED THEME COULD START WITH**

**THIS JAPANESE STYLE ASIAN ART SCROLL, \$50, FROM XIA**

**JUST ADD SOME STRONG COLOUR ACCENTS**
